Chardonnay Riserva
"Castel Ringberg" 2013

The 2013 Alto Adige Chardonnay Riserva Castel Ringberg is a beautiful and age-worthy white wine. This is a pristine expression of Chardonnay with thick lines and a rich consistency. It's a modern and fruit-forward expression that boasts extra intensity both in terms of bouquet and mouthfeel. The wine bursts open with peach cobbler, saffron, toasted nut and candied orange peel. This Chardonnay's thick texture wraps generously over the palate.
