**1st Best Italian
White Wine**

**Beyond The Clouds
2014**

Sensations: with its oral, fruity and spicy olfactory livery, the choir of its gorgeous scent opens, emanates and softly expands with a sublime, sharp and defined aroma. A creamy pulp wave of ripe and accomplished pomes that a juicy and sumptuous grape proves through its expressive weft of glycerine. A touch of doughy density, a balance of taste just perfect between acidity and softness, and its jasmine in bloom, with its hints of balm, vanilla, cedar, with a purity not less than its sovereign gustatory souplesse. The best Italian white wine of the year, result of vinicultural and oenological mastery. Chapeau
